Qualified Remodeler Magazine Names Hogan Design & Construction Multiple 2023 Chrysalis Remodeling Award Winner For Residential Interiors and Outdoor Living

Geneva, IL (June 29, 2023) – Each year, Qualified Remodeler Magazine showcases creative solutions in the remodeling and construction industry, awarding 72 companies from across the United States with the coveted Chrysalis Award for extraordinary residential remodeling excellence. The project entries are judged on the overall design, the creative use of space and materials, and the degree to which the remodeling project enhanced the original structure. Hogan Design & Construction (HDC) was named the Regional Award Winner for Residential Interiors between \$300,000 to \$500,000 and Outdoor Living over \$100,000.

This is the second time HDC has won the coveted Chrysalis Award. “We’re very honored to be recognized for this prestigious industry award,” said Brian Hogan, Owner of Hogan Design & Construction (HDC). “Our entire team is humbled by this kind of recognition, and we will forever strive to give our customers the best building and remodeling experience possible.” The Chrysalis Awards program, begun in 1994, recognizes the nation’s best work in fourteen general categories of residential and commercial remodeling. The Chrysalis Awards are open to every professional remodeler and design professional in the United States.
